

Making a difference in north eastern North Carolina. United Way Targeted Needs:

- Providing emergency support
- Helping achieve economic independence
- Creating quality child care
- Supporting older adult wellness

Congratulations to Roanoke Valley United Way donors, volunteers, Community Fund Recipients and staff. The 2011 campaign raised \$107,000. "We are so proud to announce that the Roanoke Valley United Way has raised \$107,000 during the 2011 Campaign. We faced many challenges this year with a tough economy, but the Roanoke Valley stepped up to help our grant recipients. The dollars raised will help hundreds of people in need throughout Halifax and Northampton counties," said Jennifer Mayle and Mick Olesnevich, Campaign Co-Chairs. "Our friends and neighbors will benefit from the generous support of hundreds of volunteers who made it possible for us to raise these needed funds."
